**The Art of Kyffin Williams**

By Nicholas Sinclair and Rian Evans

Kyffin Williams RA (1918-2006) was a key figure in contemporary Welsh painting. Throughout his career the landscape and people of North Wales continued to provide the inspiration for his work.

This beautifully produced monograph features rarely-seen works chosen by the artist from private collections.

In his essay Nicholas Sinclair, whose photographs of the artist introduce the book, traces the influences that have inspired Williams's work. Rian Evans looks at the artist's legacy and achievement.
